

Libra Non-Metallic Safety Boot S3 SRC ESD

Code: **SF0021**

**3-13
sizes**

ESD

Incredibly lightweight, comfortable, 100% metal-free work boot. Benefitting from ESD certification, these safety boots prevent a build-up of static electrical charges in the body by sending these charges to the ground in a very safe and controlled manner. A comfortable choice, perfect for electricians and other similar trades.
